

# Code Outside <sup>the</sup> Lines

Not a developer, but want to become a part of the KDE family?  
**No problem!**

KDE is always looking for people eager to lend us a hand. You can help us with art, sound, GUI design, documentation writing, web design and maintenance, user help and support, or just your great ideas.

So don't hesitate and join us today!  
[www.kde.org/getinvolved/](http://www.kde.org/getinvolved/)

Not a developer?  
You can help too!  
See the reverse for details.

## KDE? What's that?
